

Transitional Energy Company, LLC's Motion for Stay Pending Appeal for July 23,

2021 at 9:30am in Billings, Montana. *See* June 30, 2021 Order, ECF No. 127.

Federal Defendants respectfully request that the Court allow Defendants' counsel to appear via video conference, or alternatively, by telephone. Federal Defendants request counsel be allowed to attend the hearing by video conference because the Department of Justice continues to operate under the Justice Department's Workforce Safety Plan, which strongly encourages the use of remote meetings and hearings in order to avoid interstate travel.

Pursuant to Local Rule 7.1(c), counsel for Federal Defendants conferred with counsel to all parties to this action regarding this motion, and no party opposes the relief requested herein.

A proposed order is submitted herewith.

Respectfully submitted this 15th day of July, 2021.
